Full entitled a member to be about statement signed." Uzbekistan President offer with "Shanghai forum" name "Shanghai Cooperation The organization was changed to "SCO." ¹ Uzbekistan his from the founders one it happened.[1]

This summit At the end of Shanghai Cooperation Organization make up about Declaration acceptance done Also, terrorism, separatism and to extremism against struggle regarding " Shanghai "convention" was also signed.

Summit acceptance did In the declaration Shanghai cooperation of the organization purpose, member of countries to each other mutually trust, friendship and the neighborhood strengthening, they in the middle political, trade-economic, scientific - technical, cultural, educational, energy, transport, ecology and in other fields efficient cooperation from incentives consists of the fact that set placed June 6-7, 2002 Shanghai Cooperation To the organization a member countries state St. Petersburg of the chiefs in the city next summit being passed.[2] Negotiations At the end of Shanghai Cooperation To the organization a member countries leaders Declaration of the Organization establishment document - Shanghai Cooperation Organization Charter, Shanghai Cooperation To the organization a member countries in the middle Mint is strong anti-terror structure about deal signed. May 29, 2003 in Moscow being past at the summit Shanghai Cooperation Organization constant action doer offices - in Beijing, Tashkent secretariat Regional anti-terror structure (MATT) executive committee to work to drop decision done .[3]

Shanghai Cooperation Organization meeting on September 16-17, 2022 of Uzbekistan in the ancient city of Samarkand to be passed. This is it organization in history the first times 14 countries leaders and 10 international organization leaders and representatives participation did Uzbekistan Central Asia, as well as the East and South Asia and close East, Caspian the sea region countries leaders one table around collected.

Summit countries leaders for regional and global agenda series current topics discussion in doing efficient platform to be service did.

"This is a pandemic from tests after long expected of friends face to face meeting, personal communication and of countries the future set giver joint decisions acceptance to do is an opportunity," he said Uzbekistan President.

Our country leader own in his speech organization activities "extended" to cooperation directed to be and Central Asia Shanghai Cooperation " Geography" of the organization core " status save stay emphasized that it is necessary."

Attention owner aspect the fact is that of our President output Shanghai Cooperation Organization of activity several conceptual aspects cover received Including the organization to the blocks disagree status and his openness save stay, safety integrity principle strictly compliance making, economy, trade and investment in the field of cooperation practical effectiveness increase today it's not good important issues that it is of the period himself showing is standing[4]

Shanghai Cooperation Organization of activity main directions one of our country international in their relationship Afghanistan leader to the topic became In particular, the last one five in Uzbekistan leader international and regional of organizations all meeting, forum and At the meetings, of course, Afghanistan to the subject attention looking at is coming Uzbekistan initiative with Afghanistan on the subject separately international level conference and of meetings organize what is happening and high level it is also conducted in Uzbek of diplomacy big efforts is the result.[5]

in Afghanistan peace installation and his socio-economic recovery help, that's it about things coordination strengthen Shanghai Cooperation Organization the most priority directions one to be at the Samarkand summit again one there is was reminded.

Our country leader own at the exit Afghan people good neighborhood help each more than ever need, Afghanistan his problems with alone not to leave and Acceptable with constructive connections conduct necessity emphasized.[6]

In the future of Uzbekistan Shanghai Cooperation Organization within in the activity big importance occupation doer from issues one is undoubtedly the region of states there is international transport logistics and transit from potential fruitful use will be In this regard, especially Central and South Asia between commercial and economic mutually dependence to the road to put and development, such huge Of course, Afghanistan is also involved in the project reached

without, Afghan of the land two the region connective bridge as role to increase reach strategic importance occupation is enough In this regard our country leader strategic in terms of again one important project — " Termiz — Mazari -Sharif — Kabul — Peshawar " iron the way corridor to support its construction called.[7]

This project mutual dependence strengthening, trade and investments multiplication, in general Shanghai Cooperation Organization in the space stable economic to grow provide for wide opportunities to open that it is possible accent given

From this besides, the President We sweat in the city Afghanistan humanitarian support according to special fund together establishment to reach offer did These fund funds Afghan on the ground social crisis eliminate youth for education programs and health storage in the field projects done to increase orientation known done.[8]

Above reported thoughts in general, of Uzbekistan Shanghai Cooperation To the organization chairmanship and the Samarkand summit high level organize to be done and of transfer to himself special series aspects attention focus to the goal is appropriate.
